The screenshot shows the VWR website interface. At the top, there's a navigation bar with the VWR logo and 'part of avantor'. On the right, it says 'Connecté en tant que claire.randazzo / Déconnexion' and shows a shopping cart with '15,00 €' and a 'Mon Compte' link. Below this is a search bar with the text 'Mot-clé, Fabricant, Référence article, Numéro CAS...'. The main navigation menu includes 'NOS PRODUITS', 'DISCIPLINE', 'SERVICES', and 'PLUS...'. The 'SERVICES' section is expanded, showing a list of services: 'Services VWRCATALYST', 'Services de solutions à façon VWR', 'VWR Science Portal', 'Commerce électronique / Solutions technologiques mobiles VWR', 'VWR Single-Use Solutions', 'Services techniques', 'The Building Blocks Portal' (highlighted), 'Labtools', 'Je crée ma start-up ...', 'e-Newsletter', and 'Centre de Formation'. The 'The Building Blocks Portal' page is displayed, featuring the 'VWR Building Blocks Portal' logo and the text 'POWERED BY eMOLECULES'. The page content includes a section titled 'Search, Source, and Order Compounds Quickly' with a paragraph about accelerating discovery by reducing search time and streamlining procurement. It lists several benefits: access to 650,000 compounds, sub-structure similarity or exact search, real-time pricing, and rigorous supplier validation. A 'How to Order' section follows, explaining that users need to be logged in and click 'Continue' to access the portal. At the bottom right, there is a blue 'Continue' button.

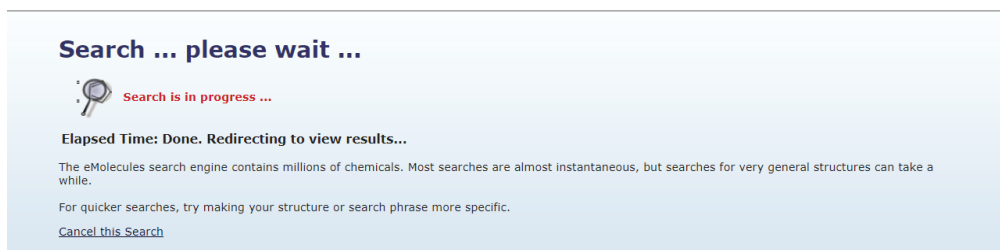

2 Step 2

- Zoek op basis van structuur of naam van de chemische stof

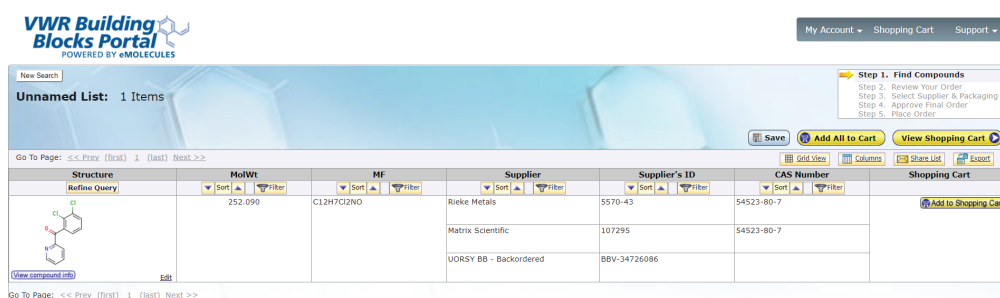

3 Step 3

- U krijgt een melding dat uw zoekopdracht wordt uitgevoerd

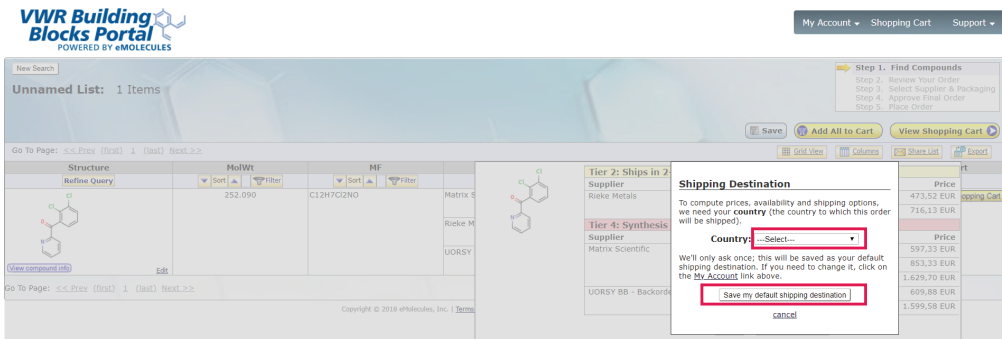

4 Step 4

- Geef de resultaten weer als een lijst
- Selecteer uw component en klik op 'toevoegen aan winkelmand'

5 Step 5

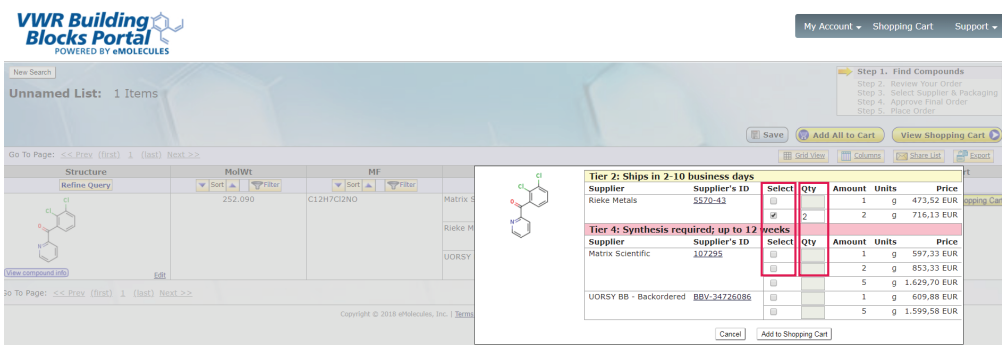

- Kies het land van bestemming en klik op 'opslaan als mijn standaardbestemming'

The screenshot shows the VWR Building Blocks Portal interface. A modal window titled "Shipping Destination" is open, prompting the user to select a country. The modal includes a dropdown menu for "Country" and a "Save my default shipping destination" button. The background shows a table with chemical structures and a sidebar with tiered shipping options.

6 Step 6

- Selecteer de gewenste leverancier, voeg het aantal toe aan de bestelling en klik op 'toevoegen aan winkelmand'

The screenshot shows the VWR Building Blocks Portal interface. A modal window displays a table of suppliers and their prices. The user has selected a supplier and entered a quantity of 2. The "Add to Shopping Cart" button is highlighted. The background shows a table with chemical structures and a sidebar with tiered shipping options.

7 Step 7

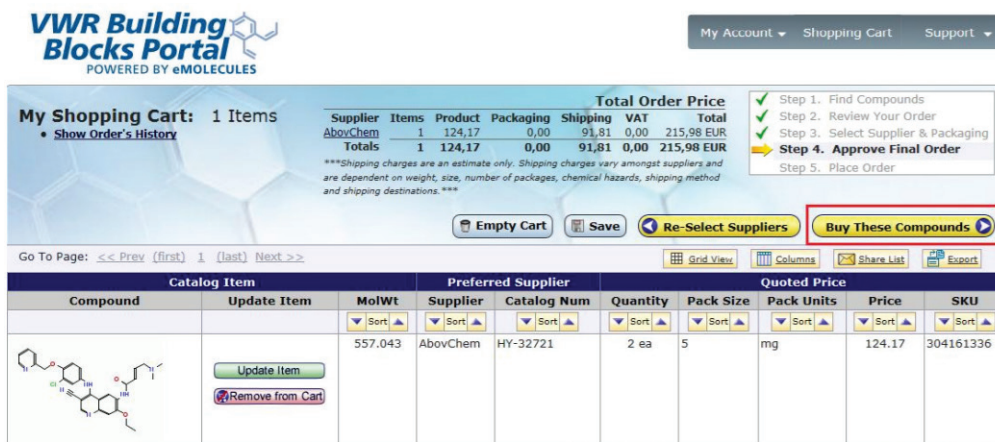

- Een nieuwe zoekopdracht invoeren
- En/of extra producten toevoegen met nieuwe componenten
- Klik op 'Winkelmand bekijken' wanneer u klaar bent

The screenshot shows the VWR Building Blocks Portal interface. The "View Shopping Cart" button is highlighted. The background shows a table with chemical structures and a sidebar with tiered shipping options.

8 Stap 8

- Controleer uw winkelmand en klik op 'Deze producten kopen'
